

You will need:

2-3 sheets of A4 card depending on head size

Glue or Sellotape

Decorations of your choosing - paint, crayons, felt tip pens, adhesive gems, pom poms, stickers

Royal Crown

Place on A4 sheet on top of the other and cut out a crown shape, leaving space for overlapping.

You may need a third sheet depending on head size - we'd suggest checking the measurements before sticking!

Stick the cut out sheets together using glue or tape to create your crown and decorate as the king or queen wishes!
